Important Update: ANNUAL NATIONAL CONVENTION

First and foremost, our prayer is that this communication finds you and your loved ones taking the preventative measures necessary to ensure your health as well as the health of your family, friends, neighbors, and loved ones. During times such as these it is essential that we rely on both our faith as well as our brains to stay safe and spiritually sound.

Currently, the scheduled dates of our Senior National Convention fall outside the Center for Disease Control's (CDC) period for restrictions on public gatherings and events.

Our planning and preparation for the convention continue, with the awareness and understanding that there are many unknowns during this on-going and substantially fluid situation.

As such, the following changes have been made in order to ensure that the health and well-being of our members will be the first consideration when deciding individual convention attendance and participation plans:

- No Registration Late Fees: Late fees have been waived regardless of the date of registration.
- No Cancellation Deadline or Fees: Should you be unable to attend, your convention registration and hotel reservation (if made through the Knights of Peter Claver) can be canceled at any time
- Your Hotel Reservation Deposit and full Registration Fee will be refunded
- Convention Logistics: The Convention schedule of events and scope are subject to change based on CDC guidelines and recommendations, and the impact of those recommendations on attendance and advance planning time.

Thank you again for your patience and understanding as we work to keep our membership informed, safe, and secure.

Please continue praying for protection and recovery from this global health crisis.
